

The College is committed to providing its students with an educational environment free from sexual misconduct, and treating its students who report incidents of sexual misconduct with dignity and respect. The purpose of this policy is to ensure that the rights of those affected by sexual assault/sexual misconduct are respected and appropriately accommodated and ensures the College has a process of investigation that protects the rights of individuals and holds individuals who have committed an act of sexual assault/sexual misconduct accountable.

**Sexual misconduct prevention:**

Sexual misconduct involving staff or students is unacceptable and will not be tolerated. The College is committed to challenging and preventing sexual assault/sexual misconduct and creating a safe space for anyone in our College community who has been affected by sexual assault/sexual violence. The College is expected to be a safe and positive space where members of the College community feel able to work, learn and express themselves in an environment free from sexual misconduct.

**Definition of Sexual Misconduct**

Sexual misconduct means any sexual act or act targeting a person's sexuality, gender identity or gender expression, whether the act is physical or psychological in nature, that is committed, threatened or attempted against a person without the person's consent, and includes:

- sexual exploitation
- sexual assault
- sexual harassment
- stalking
- indecent exposure
- voyeurism
- the distribution of a sexually explicit photograph or video of a person to one or more persons other than the person in the photograph or video without the consent of the person in the photograph or video and with the intent to distress the person in the photograph or video
- the attempt to commit an act of sexual misconduct
- the threat to commit an act of sexual misconduct

**Disclosures/Complaints of Sexual Misconduct**

A report of sexual misconduct may be filed under the policy by any member of the campus community. All members of the College are expected to report incidents of sexual misconduct they witness or have knowledge of, or they have reason to believe has occurred or may occur, to the Campus Director. Members who have been affected by sexual misconduct are encouraged to come forward to report the incident as soon as they are able to do so.

A person may choose to disclose sexual misconduct without making a formal report. In these circumstances, a disclosure/complaint may not result in a report being made and, therefore, may not initiate a formal process. In such circumstances, appropriate support will be provided on the basis of availability. An individual who discloses an allegation of sexual misconduct should be made aware that there are a range of reporting options available to them and that they may choose any of the options or any combination of the options, including:

- a) Disclosure Only – a victim/survivor may wish to tell someone about the incident in order to seek support but may not want to make a report to police or campus authorities.
- b) Police – a victim/survivor may wish to make a formal report of a sexual assault or other criminal incident of sexual misconduct to police. Victims/ survivors should be offered the services of a campus based sexual assault response worker (where they exist) or a community-based support worker to accompany them and to provide emotional support

For the purposes of this document, a report is a formal notification of an incident of sexual misconduct to someone at the post-secondary institution accompanied by a request for action. The actual process/procedures may vary in relation to the nature of the disclosure/complaint or report (for example, whether or not there has also been a report to law enforcement).

To make a formal complaint to the College, the student should follow the Dispute Resolution Policy in the Student Handbook.

It is contrary to the policy for anyone to retaliate, engage in reprisals, or threaten to retaliate in relation to a report.

### **Investigating and Responding to Disclosures/ Complaints and Reports of Sexual Misconduct:**

Where a complaint of sexual misconduct has been reported to the College, the College will exercise care to protect and respect the rights and confidentiality and privacy of both the complainant and the respondent. Persons in a position of authority, including persons directing the activities of others, shall take immediate action to respond to or to prevent sexual assault/sexual misconduct from occurring. The College understands that individuals who have experienced or been affected by sexual misconduct may wish to control whether and how their experience will be dealt with by the police and/or the College. In most circumstances, the person will retain this control. However, in certain circumstances, the College may be required to initiate an internal investigation and/or inform the police of the need for a criminal investigation, even without the survivor's consent, if the College believes that the safety of other members of the College community is at risk.

All reported incidents of sexual misconduct will be investigated in a manner that ensures due process as outlined in the procedures below.

  - c. The Respondent will be informed of the complaint and interviewed, providing details of the allegations and giving the Respondent an opportunity to respond to those allegations and to provide any witnesses the Respondent feels are essential to the investigation;
  - d. Interviews will be conducted with any person involved or who has, or may have, knowledge of the incident and any identified witnesses;
  - e. Reasonable updates will be provided to the Complainant and the Respondent about the status of the investigation.

**Making False Statements**

It is a violation of this Sexual Misconduct Policy for anyone to knowingly make a false complaint of sexual Misconduct or to provide false information about a complaint.

**Reprisal**

It is a violation of this Sexual Misconduct Policy to retaliate or threaten to retaliate against a complainant who has brought forward a complaint of sexual violence, provided information related to a complaint, or otherwise been involved in the complaint investigation process.

**Confidentiality and Further Support**

The College's ability to investigate anonymous disclosures is hampered by the anonymous nature of the report. The College cannot investigate or follow up on an anonymous disclosure. It is this policy's intention to make individuals feel comfortable about making a report in good faith about sexual assault/sexual Misconduct that they have been affected by or witnessed.

Confidentiality is particularly important to those who have disclosed sexual assault/sexual violence. The confidentiality of all persons involved in a report of sexual assault/sexual Misconduct or in subsequent disciplinary proceedings must be strictly observed, and the College does its best to respect the confidentiality of all persons, including the complainant, respondent, and witnesses.

The College will regard all information as unique and private and ensure it is maintained in a secured, controlled environment, following the College's file storage policy.

To the extent it is possible, the College will attempt to keep all personal information of persons involved in the investigation confidential except in those circumstances where it believes an individual is at imminent risk of self-harm, or of harming another, or there are reasonable grounds to believe that others on its campus or the broader community are at risk. This will be done by:

- Ensuring that all complaints/reports and information gathered as a result of the complaint/reports will be only available to those who need to know for purposes of investigation, implementing safety measures and other circumstances that arise from any given case; and
- Ensuring that the documentation is kept in a separate file from that of the Complainant/student or the Respondent.

## SEXUAL MISCONDUCT POLICY

---

the College recognizes the right of the Complainant not to report an incident of or make a complaint about sexual misconduct or not request an investigation and not to participate in any investigation that may occur.

- In certain circumstances, the College may be required by law or its internal policies to initiate an internal investigation and/or inform police without the complainant's consent if it believes the safety of members of its campus or the broader community is at risk.

In all cases, the College will appropriately accommodate the needs of its students who are affected by sexual violence. Students who have been affected by sexual violence, as well as members of the college community to whom a student has disclosed an incident of sexual violence, are encouraged to access information and support from the Campus Director.
